Orlando designers **Norma Allen** and **Thuy Nguyen** launched their fab **Vocce Couture** line during Couture Fashion Week in February.

The pair's fantasy designs looked marvelous, dah-ling, on the runway at the Big Apple's ritzy Waldorf-Astoria hotel.

Now the designers are back in Orlando, expanding their collection and hoping the orders start rolling in.

More pictures below. What do you think of their designs? Would you wear the Vocce creations?
