This weekend was all about fashion for our BN team, our ladies – **Louisa** and **Cornelia** were backstage and front row at the ARISE Promise show on Friday then on Sunday, they did it again at the Couture Fashion Week which took place at the Waldorf Astoria in New York.

Nigerian designers – **Lanre DaSilva-Ajayi of LDA**, **Joan Okorodudu of House of J'Ola**, **Alero Fafowora of Hallero** and **Zizi Cardow of Zizi Couture** along with makeup dynamo **Bayo Haastrup** all displayed collections on the day. The BN report from Louisa and Cornelia will be up soon but we thought to offer you a sneak peak of what's coming up.
